In our fourth year we are pleased to continue to bring diverse, unique, and professional women to speak to an audience of women from Cape Cod and surrounding areas. Based on calls and emails from attendees and small business owners we have found that collaborating with business and individuals who are regional, diverse, and personable has had a great effect for those who have partnered with this event.

We are excited to bring a more intimate setting with the retreat at the lakefront campgrounds of Camp Lyndon in Sandwich MA. We are always striving to bring the best and brightest talents to our Driven Women and provide them with useful and relevant information.
